

## NOTICE OF TEMPORARY ATC TOWER HOUR CHANGES AND INFORMATIONAL MEETING

On July 11th, Serco notified Northern Colorado Regional Airport of the FNL Tower staffing forecast at one controller starting on August 12, 2024. In light of these changes, Serco has proposed a new schedule for Tower hours to minimize ATC-Zero time. The proposed changes starting August 12th are outlined below:

Sunday through Friday: Tower open 0800-1200, closed 1200-1245, reopen 1245-1645  
Saturday: Tower closed

This schedule will continue until additional staff is hired by Serco or a temporary duty assignment arrives and receives the necessary training to control air traffic at this airport. Serco, FNL, and the FAA are working closely on this matter to ensure that aircraft safety is maintained through this staffing transition.

### ATC Tower FAQ

**To discuss these changes in more detail, all stakeholders and members of the public are invited to attend an information meeting with Serco on Tuesday, July 23 at 3:00 p.m. hosted at the Northern Colorado Regional Airport.**

**Meeting location to attend in person:**

Airport Administration Office  
4900 Earhart Road  
Loveland, CO 80538

**Link to attend virtually:**
